This is a request to establish a Quantity Purchase Agreement for Fabric specifically for Pen Products to begin November 1, 2010 or from date of last State signature, whichever is later, and end October 31, 2011 or one year after the State's last signature, whichever is later. QPA can be mutually renewed yearly for three additional years under the same terms and conditions. Renewals subject to the approval of the Department of Administration and the State Budget Agency. Total term of this agreement including all renewals, shall not exceed four years.

Supply the name and phone number of the contact for placing orders:

Name: _____

Phone No: _____ Fax: _____

The vendor agrees to charge these prices for any products ordered on any QPA release received after the expiration date, but issued prior to the expiration date, and postmarked no later than 14 business days after the QPA's expiration date.

Quantities are estimates, could be more or less.

The State of Indiana has implemented an Electronic Procurement (E-Procurement) system which is an internet based system allowing State of Indiana agencies to place electronic orders with vendors through electronic catalogs resulting from a conventional procurement method.

As a part of making this system operational, the information that is being requested on each line item is a requirement, not an option. Failure to complete/supply the requested information when you submit your offer/bid could result in your offer/bid being found non-responsive.

The manufacture name and manufacturer part # is where you identify the manufacturer and part number of the product you are offering/bidding.

The M/WBE requirement is asking you to indentify if that particpular line item is supplied by Minority or Women Owned firm. The values to use are as follows:

Minority = M

Women = W

No = N

Liquidating Damages:

Failure to deliver products on the agreed upon due date will result in a \$.002 per pound deduction, for each full day late, as liquidating damages from the bid price (example: the scheduled delivery date is 06/04/04 and the actual delivery date is 06/06/04; the deduction would be \$.004 per pound from the bid rice). The deduction for liquidating damages will not be made if the State agrees in writing to the vendor (can be e-mail or fax) that the delay is for a legitimate reason. The decision of the State is final. All deliveries must be approved by PEN Products.

As required by IC 4-13-2-14.8:

Notwithstanding any other law, rule, or custom, a person or company whom has a contract with the State or submits invoices to the state for payment shall authorize in writing the direct deposit by electronic funds transfer of all payments by the state to the person or company. The written authorization must designate a financial institution and an account number to which all payments are to be credit.

ATTENTION - New requirements. Prior to award of this solicitation your business must register as a bidder at www.buyindiana.in.gov. Just click on "Register your Business to do business with the State" Please be sure to complete the Buy Indiana certification page. It is preferred that businesses register immediately so that delay of solicitation award would not occur. This registration is maintained by you and you may update your information at any time. It remains in the database and covers all solicitation responses you submit to any state agency. It is very important that it be kept current. If you do not have access to a computer, you may call 317-234-0234 for assistance with your registration.

All companies desiring to do business with state agencies must complete an "Indiana Economic Impact" form. The form asks for, among other information:

a. The amount of the contract that is being allocated for payroll and benefits to Indiana residents

The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the state.

If the M/WBE participation level will exceed or fail to meet the goals outlined in the contractor's proposal, you must notify the M/WBE office immediately at MWDBE@idoa.in.gov. In the event that the contractor fails to report changes in participation attainment, demonstrate a good faith effort to reach the participation goals, pay the MBE and WBE in a timely manner or satisfactorily resolve any outstanding claims, the department may elect to withhold a disputed amount from the payments due to the contractor, suspend or terminate the contract, recommend suspension of the contractor's certification status with the public works division, and/or suspend, revoke, or deny the MBE or WBE certification and eligibility to participate in the MBE or WBE program per (25 IAC 5-7-8).

Vendor must complete their bid in the attached Excel file and submit this file to the State. When submitting the Excel file with their bid prices, the vendor must send one (1) electronic copy on CD and one (1) hard copy. The awarded vendor must maintain, at a minimum the information listed below in excel format and supplied to the State within one week of the request.

The report must include purchases from State Agencies and any Political Subdivision's purchases.
